

MOHAMAD RAZIEI

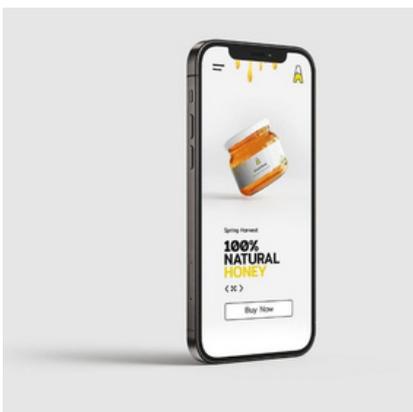

Design Director / BRAND Developer

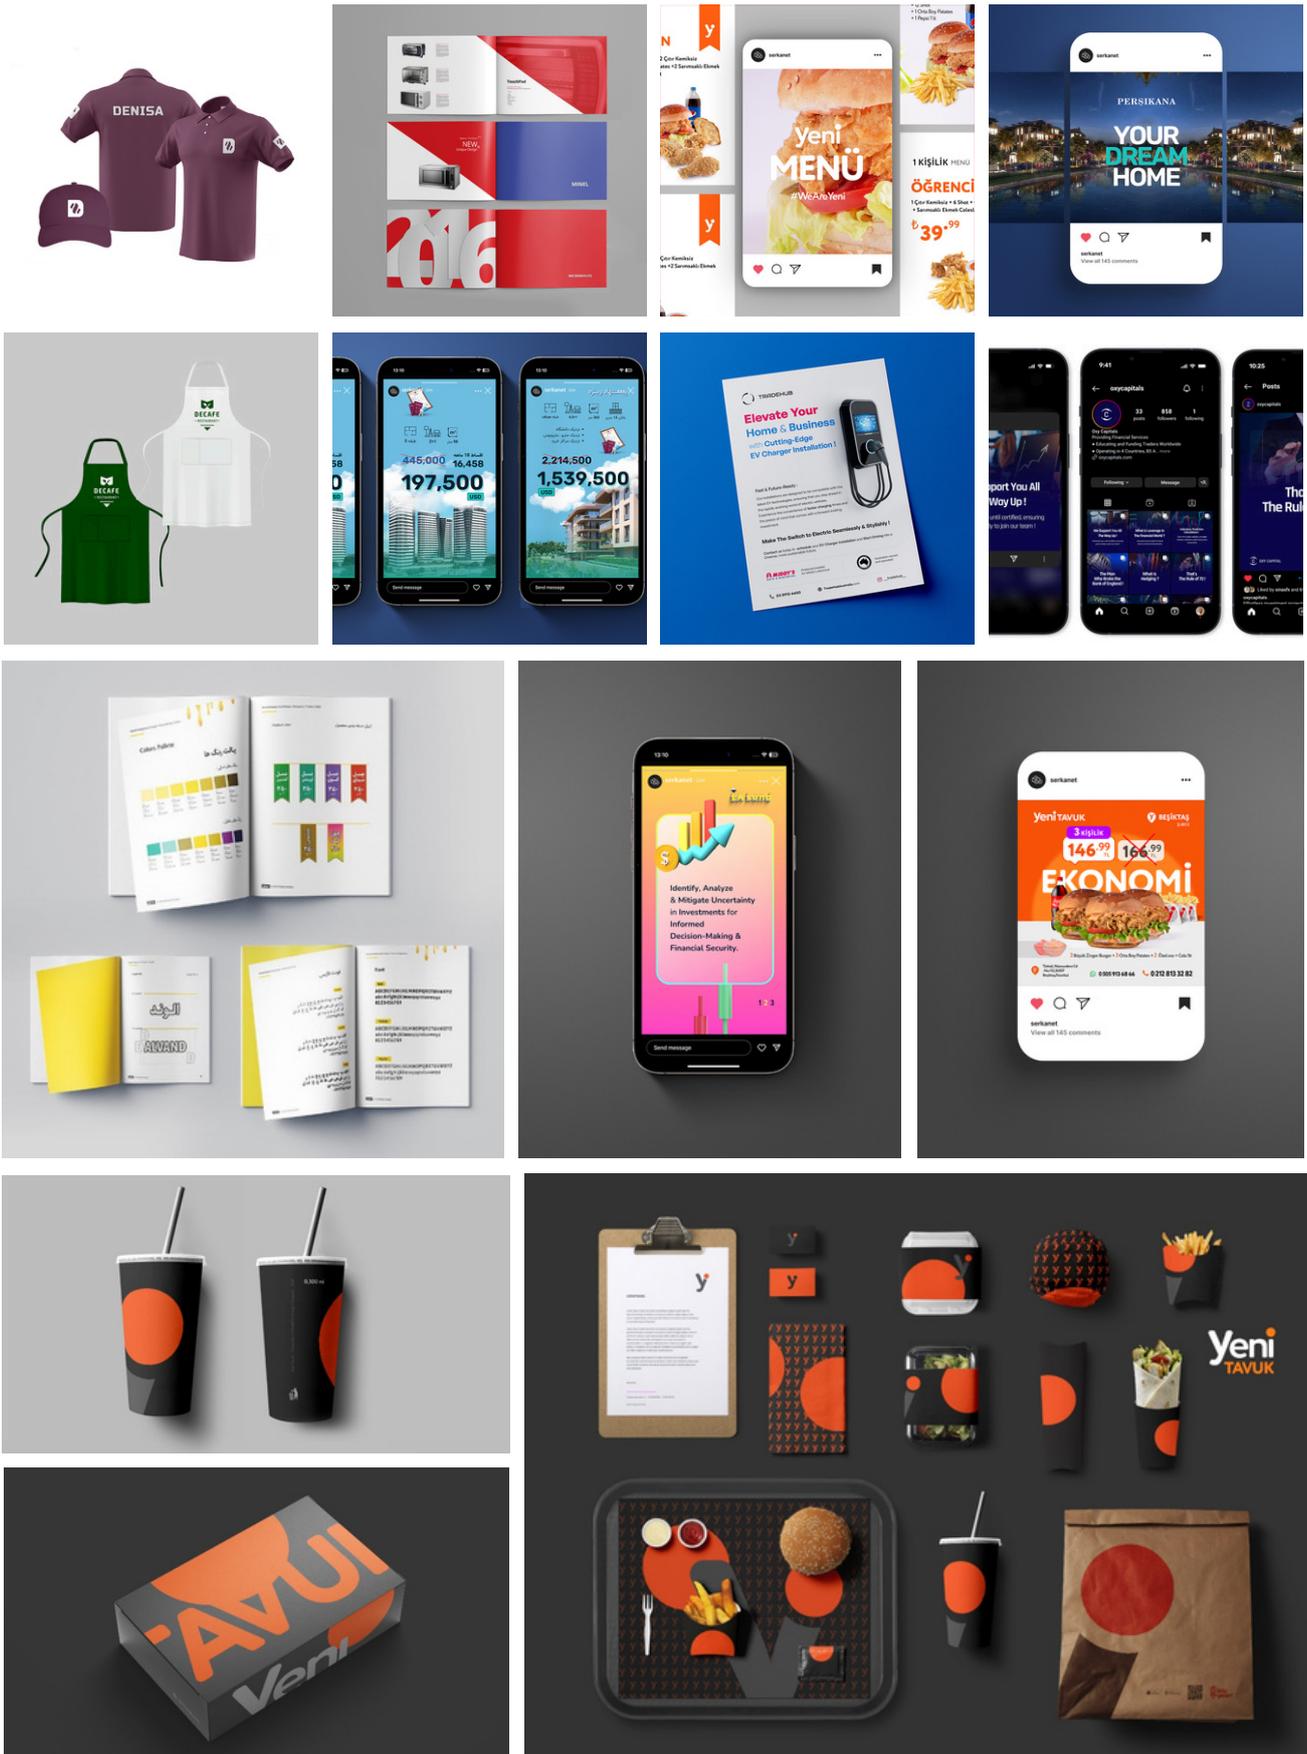

I offer fully integrated design services, including brand identity, web design, print, content, and visual ad design. Born in April 1991 in Serkan, Hamedan, Iran, I started working in Tehran's advertising and graphic market at 16. In 2009, I transitioned to professional digital graphic design. Over my career, I've successfully completed over 100 projects, with a focus on branding and brand development for the past 8 years.
